The only **Retro-Fit** light for Spectrum™ 360 niches you will ever need

R6B

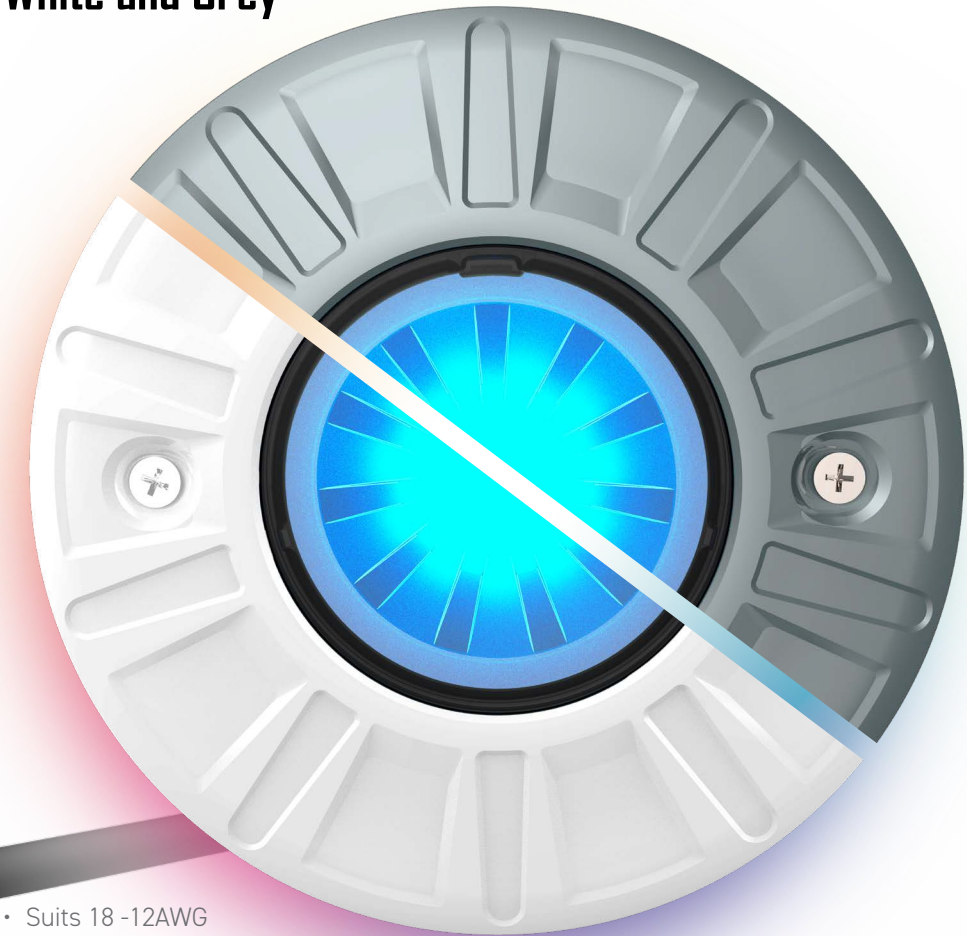

Available in
White and Grey

- Extra Safe Low Voltage 12VAC

- Suits 18 -12AWG cord sizes

Easy Installation

Simple and elegant design that perfectly replaces an existing BLUESQUARE Spectrum™ 360 Light.

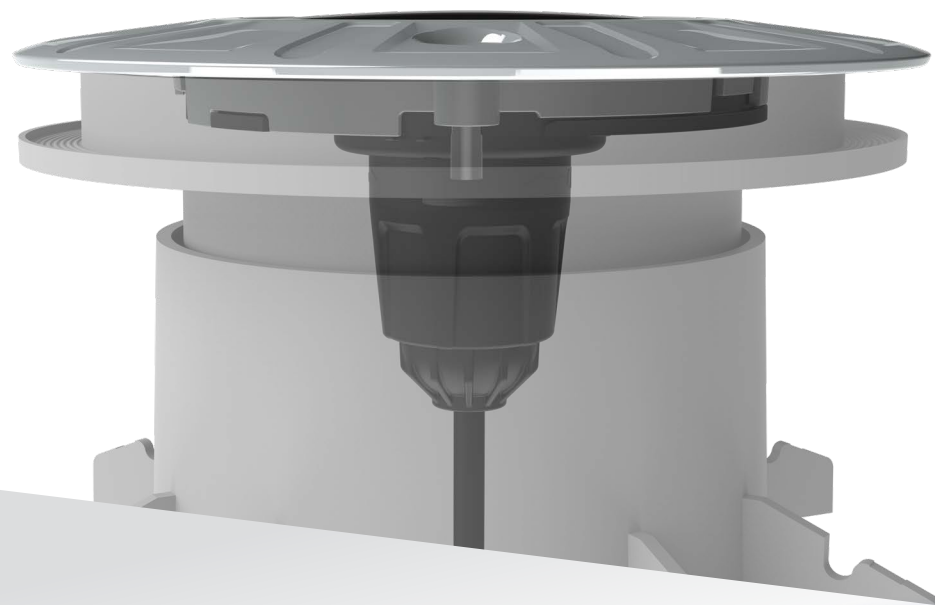

Only requires 2 screws to attach to existing mounting point.

Quick Connect Plug

Say goodbye to pulling cords forever with **Retro R6's Quick Connect Plug**.

Connecting to the existing pool light cable in the niche, the **UL Listed** Quick Connect Plug ensures fast and reliable installation while also enabling easier future servicing in the field.

The **Retro R6** light provides superior illumination to deliver a lighting solution for your pool or spa. The forward-facing Heat Sink along with the slim design and modern profile, maximises the longevity and performance of the light.
